

About Us

Overview

École Maison (A-cole May-zon) means "School House" in French—and that's just how we see it—our school is an extension of your home.

Since opening our doors in May 2007, we have been privately owned and locally operated. Our growth has been quick and constant, so much so that we are scouting the potential for future facilities. We pride ourselves on our quality learning environment, our structured yet flexible approach, our energetic and caring staff, our curriculum-based classrooms and our truly-unique facility. We're one of a kind. And we love being part of our community.

Safe

The safety of your child is our highest priority. From the state-of-the-art entry security and our "no peanuts" policy to the safety training required of all staff members. École Maison is designed with your child's safety in mind, and that gives our parents peace of mind!

Smart

From sign language with toddlers to an accelerated Pre-K curriculum, we're all about addressing your child's strengths and interests. Our students leave us ready and able to take on the academic and social challenges which lie ahead.

Fun

Our beautiful facility houses classrooms which are fully stocked for hours of fun! With a scenic play area and large space for indoor play, we never hear, "I'm bored." If only parents had this much fun at work...
